## Musketeiere

In the Queen's service, the Musketeers are trying to acquire three valuable gems. However, the Cardinal and his dreaded Guard are out to sabotage their mission, leading to lots of duels between Musketeers and Guardsmen.

The most successful Musketeers will be awarded many ducats. Those who will be put behind lock and key, though, will remain empty-handed. The player who has amassed the largest amount of ducats after several rounds of play wins.

*Musketeers* won third place in 1990's *Hippodice game author contest* and was originally published in 1991 by *Hexagames*. This new edition has been completely re-illustrated. Easy-to-learn rules and short (even variable) playing times make for great entertainment.
